

# Cute Monsterz to Color!

Original Art by Strata Chalup

Copyright 2012, all rights reserved.

If you like these monsters and want to see more, send email to [srchalup@gmail.com](mailto:srchalup@gmail.com) and ask me to hurry up and create Cute Monsterz to Color Volume 3.

All of the monsters have names and houses, and I'm working on making more pictures of them to share with you! What would you like to see the monsters doing? Where should they go on vacation? Tell me your ideas!
